Dear Mr. Lee:

On behalf of the Office of Counsel, Southern Division, Naval Facilities Engineering Command, I wish to express our sincere gratitude for the outstanding support the Charleston DAPS office provided in printing course materials for the 2004 NAVFAC Real Property Law Course held February 24-26, 2004, in Jacksonville, Florida. Over eighty attorneys and real estate specialists from over thirty Navy installations, the Coast Guard, the Army, the Department of Justice, and the General Services Administration attended the course.

Darrell Miller has consistently supported our office's numerous reproduction requests for litigation related documents, as well as for course materials, sometimes on very short notice. Anthony Duncan and Thelma Sullivan diligently worked printing course materials and dividers, as well as inserting finalized materials into 3" binders for the students. These individuals worked professionally and courteously, responding with great flexibility to revisions in the course materials.

Mr. Miller, Mr. Duncan and Ms. Sullivan's efforts greatly contributed to the success of our course.

Sincerely,

  
PETER M. KUSHNER  
Counsel
